BACKGROUND

Action Learning focuses on increasing learning capacity of executives in governments, organisations, businesses, civil society, trade unions, academia, etc., while responding to a real global challenge in a multidisciplinary and multi-stakeholder approach. Critical peer-to-peer reflection is an important part of the experience. This experience of 'exchange' can generate new approaches across sectors, and help build systemic innovation and problem solving skills.

EVENT OBJECTIVES

This event aims to provide an overview of the UN declarations, principles and guidelines with focus on local capacity building for Agenda 2030 and the Sustainable Development Goals.

CONTENT AND STRUCTURE

The event will include the following:

- Introduction to Agenda 2030 and the Sustainable Development Goals
- Interactive brainstorm sessions with our organisation-specific SDG-circle
- Reflection of best practices and challenges in the light of the 5 P's and the 17 SDGs

METHODOLOGY

The event will be delivered through small interactive groups, debriefing sessions and questions and answers in plenum.

TARGETED AUDIENCE

The targeted audience includes International Business Administration students from the University of Antwerp.
